STEMivator

Romanieo Golphin, Jr.
Global Science Ambassador
STEM Expo Guest Speaker

He embodies the statement, "Think Big - Start Early" and has been celebrated for mastering the rudiments of particle physics and organic chemistry at age 7. Romanieo Jr. has been invited to tour three of the world's top scientific facilities, including NASA. He has been featured in *The Washington Post* and appeared on:

- NBC's *The Today Show* segment titled "Boys Changing The World."
- ABC's *Jimmy Kimmel Live!* Show
