### **What is Dual Enrollment?**

High school students may enroll in an eligible participating post-secondary institution during 9th, 10th, 11th, or 12th grade and earn dual-credits (high school and college). Dual Enrollment provides students the opportunity to complete an Associate Degree, Technical Diploma, or two Technical Certificate Programs while in high school. Students can enroll in fall, spring, and summer sessions.

### **Students must meet the following eligibility requirements:**

- Open to all students attending public or private high schools in Georgia or a home study program operated in accordance with O.C.G.A. 20-2- 690(c)
- Must be approved and classified as eligible by the high school attending 9th, 10th, 11th, and 12th grades
- No residency or citizenship requirement
- Meet admissions requirements at post-secondary institution
- Enrolled in high school
- Enrolled in courses listed in the approved Dual Enrollment Course Directory
- Maintain satisfactory academic progress as defined by the post-secondary institution
