## **CCPS Provides Update to Hurricane Michael Monitoring**

The leadership of Clayton County Public School (CCPS) has been aggressively monitoring the movement and condition of Hurricane Michael throughout today, Wednesday, October 10th. As a result, we have canceled all outdoor athletic and after school activities as a precaution. We will continue to use information from the National Weather Service and Clayton County Emergency Management to determine our next steps as it relates to Hurricane Michael.

The school district leadership will use all means possible to determine what potential impact the storm will have on our ability to have school on Thursday, October 11th. We will make a decision as to whether there will be school or if we will be closed by 4:30 a.m. on Thursday morning. You are advised to follow all of our usual communication platforms and news outlets for any additional information.
