

## **Substitute Teacher and Substitute Paraprofessional Salary Schedule**

### **Daily Substitute if assignment is working for a Teacher**

(All rates quoted are per day worked)

Non-Certified (bachelor degree or higher) \$93.00 per day worked

Valid Georgia Teacher Certificate \$93.00 per day worked

### **Long-Term Substitute Teacher**

Georgia Certified, in-field is preferred for these assignments. Certified in a related area would be the second option. If neither can be secured then a substitute with a degree in-field or a related area would be acceptable. Must hold AT LEAST a Bachelor's Degree. An assignment is considered long-term if you work 10 or more consecutive days for the same teacher. The pay for a long-term teacher assignment is increased because of the additional responsibilities and work involved in the assignment.

#### **10 or more consecutive days for same Teacher**

Valid Georgia Teacher Certificate \$137.00 per day worked

*Exception: if sub works long term for Pre-K teacher the pay is \$120.00 per day worked*

Non-certified, expired certificate, or Out of State certificate \$120.00 per day worked

### **Paraprofessional and PreK Assistant Substitutes Daily and Long Term**

Note: TRS retirees are not eligible for this type of assignment

Paraprofessional Substitute \$83.00 per day worked

Pre K Teacher Assistant Substitute \$73.00 per day worked

Long term-----The pay remains the same in these 2 positions no matter how long the assignment last because there are not any extra duties or extra responsibilities involved in working these positions. You are exempt from the limited daily hours if you work the position long term. You would work the regular employee 8 hour days if working long term.

**Half-day Assignments:** If you work a half-day assignment, the pay will be half the amount that you would normally receive for a full-day assignment. It is the discretion of the school whether you are paid for half-day or full-day, depending on the hours worked for the assignment.
