Experience for Salary Purposes GBA

TEACHERS

Teacher and teacher-like positions require certification and are compensated on the CCPS Teacher Salary Scale. Placement for teachers is determined based on certificate level (T-level) and the number of verifiable teaching years. To be granted a full year, a teacher must meet the requirements in the State Board of Education State Rules (State Rule 160-5-2-.05 – Experience for Salary Purposes). The highlights of the rules are as follows: □

- √ Must have been certified
- √ Must have worked in an accredited institution
- √ Must have worked full-time a minimum of 120 days each school year

160-5-2-.05 STATE BOARD OF EDUCATION RULES

The minimum state salary of certified educators in Georgia is determined by the number of years of creditable experience earned and the highest level and type (provisional or professional) certificate held. Creditable years of experience represent the experience approved by the State Board of Education for advancement on the state salary schedule.

(a) LUA – Local Unit of Administration to include a local board of education or a regional educational services agency (RESA) board of control.

(b) State Salary Schedule – the document describing the minimum state salary for certified personnel that has been approved by the Georgia Board of Education and funded by the Georgia Legislature.

(c) Creditable Year of Experience – to be creditable for salary purposes, a year of experience shall meet the requirements of this rule and shall be earned as described below.

1. Not more than one year of experience shall be credited for any 12-month period.
2. Experience earned during one school year shall be credited at the beginning of the next contract year.
3. Years of experience earned in the public schools of Georgia or in any public school in the nation shall not be credited for salary purposes unless the individual held a valid certificate issued by the appropriate state agency at the time the experience was earned, except in special conditions noted under Section 4(b) and (c).

(d) Full-time Experience – a minimum of 63% of the school year (approximately 120 days) working full time in an LUA while under contract for state salary in a regular school term.

1. Full-time experience in a regionally accredited college or university is defined as teaching 15 quarter hours each quarter for three consecutive quarters or nine semester hours each semester for two consecutive semesters and/or holding a fulltime contract for a professional position from the institution. Two years of part-time teaching at the college level shall not be combined to make one full year.

(e) Partial-year Experience – fractions of school terms representing a minimum of 63% of the school year of consecutive service under contract, e.g., January to June and September to December of consecutive years or January to June and September to December of non-consecutive years provided there has been no break in service between the years in which the partial-year experience was earned. (Example: Service from January to June in 1984; September to June 1984-85; September to June 1985-86; September to December 1986 earns three years of creditable experience. The two half-years have been in continuous, uninterrupted service.)

1. Computation for partial-year experience shall be based upon the contract year of the applicant. All days for which the teacher is eligible for state salary, including pre-/post-planning, sick days, and annual leave days, shall be included in the computation.

2. Half-time Employment – 90 days of full-time employment under contract during one school year or one year of one-half time employment under contract (120 days minimum). One-half time employment is also defined as a minimum of four hours of employment daily. Any time between one-half and full-time (eight hours) experience shall be considered half time for salary purposes.

(f) Combination of Full-time and Half-time Experience – At least 220 days of full-time employment in one academic year or in two consecutive academic years may be composed of the sum of the number of full-time days plus the number of halftime days if two half-time days equate to one full-time day. The combination of fulltime and half-time employment shall have been earned during a period of continuous, uninterrupted service, either within the same academic year or in consecutive years.

(g) Unsatisfactory Performance Evaluation – Certified personnel shall not earn a creditable year of experience for any year the employee received an unsatisfactory performance evaluation as determined by the evaluation system approved by GA DOE or LUA.

(h) Active Military Service Experience – full-time service in any branch of the armed forces. Service in the Reserves shall not be counted as creditable experience for state pay purposes unless the individual is called to active duty during that time.

(i) Regional Accrediting Agency – one of the following agencies located throughout the United States and its territories:

1. Middle States Association of Colleges and Schools (MSA)
2. New England Association of Schools and Colleges – Commission on Institutions of Higher Education (NEASC-CIHE)
3. New England Association of Schools and Colleges – Commission on Vocational, Technical, Career Institutions (NEASC-CVICI)

4. North Central Association of Colleges and Schools (NCA)
5. Northwest Association of Schools and Colleges (NASC)
6. Southern Association of Schools and Colleges (SACS)
7. Southern Association of Schools and Colleges – Commission on Occupational Education Institutions (SACS-COEI)

(j) State Accreditation – the one accrediting agency, other than the regional accrediting agency, in a state that is recognized as the state accrediting agency. In Georgia, this agency is the Georgia Accrediting Commission. Approval/recognition by a state agency shall not be equal to or the same as accreditation by a state agency. Accreditation by private school agencies or other independent agencies shall not be acceptable.

(3) RESPONSIBILITY FOR VERIFYING AND AWARDED EXPERIENCE

(a) LUAs are responsible for verifying and evaluating satisfactory experience for placement of certified employees on the state salary schedule. Should questions regarding verification arise, the educator shall be required to submit additional records to the LUA. Appeals of contested experience shall be through the appeal process under the provisions of O.C.G.A. § 20-2-1170. On issues respecting the administration or construction of school law, the appeal may go to the State Board of Education.

(b) In verifying experience, it is the responsibility of the employing Superintendent/RESA Director to document all satisfactory prior experience consistent with this rule. The experience of the system Superintendent shall be verified by the Chairperson of the local board of education; the experience of the RESA Director shall be verified by the Chairperson of the local board of control.

Clayton County Public Schools

Administrative, Non-Teaching Professional and Support for Salary Purposes

Administrative, Non-Teaching Professional, and Support

(a) The difference between the minimum and maximum salary for each classification level has been divided by grade and step on the Grade Salary Schedule. Each grade has a maximum amount of 16 steps. See CCPS Compensation Methodology and Procedures

(b) Salary increases to include steps and/or percentage increases are determined and approved for each fiscal year by the Clayton County Board of Education.

Administrative, Non-Teaching Professional and Support positions that are eligible for consideration of outside experience, will be calculated using the Grade Salary Schedule and based on the amount of directly related verifiable experience. Salary decisions are based on district policies, practices and procedures, industry practices, the Payroll and Compensation Coordinator review and ultimately the Superintendent.

ADMINISTRATIVE POSITIONS

Administrative positions, which require certification, compensated according to the CCPS Grade Salary Schedule. Each grade has a maximum of 16 steps. Salary experience for administrative positions is credited as follows:

- o Administrative positions receive experience credit up to the midpoint of the designated grade
- o Step placement is determined by years of directly relatable experience up to the midpoint for all administrative positions except Chief and Deputy-level positions
- o Step placement for the Chief and Deputy positions is the beginning step for the designated grade

NON- TEACHING PROFESSIONAL AND SUPPORT POSITIONS

Non-Teaching professional/support positions are compensated according to the CCPS Grade Salary Schedule. Each grade has a maximum of 16 steps. Grade Salary Scales inclusive of the letter “N” do not receive experience credit (Ex.: Administrative Assistant II- 8HR Grade 19N). Grade Salary Scales inclusive of the letter “E” contain positions that are evaluated for experience credit (Ex.: Manager Grade 27E). For reference, a listing of all non-teaching professional/support positions is listed by grade. Salary experience for non-teaching professional/support positions is credited as follows:

- o Step placement begins on the first step for positions not considered for experience credit
- o Step placement is determined by years of directly relatable experience up the midpoint for positions that are considered for experience credit
- o Step placement for classified new hires that receive experience credit cannot exceed the midpoint of a grade for years of experience

Promotion - A promotion is the advancement or reassignment of an employee from a position on a lower pay grade to a position on a higher pay grade within the organizations job hierarchy.

Employees promoted within the organization will be placed on the appropriate higher pay grade. Employees promoted to the Grade Salary Schedule from the Teacher Salary Schedule are evaluated as a new hire. If an employee’s promotion does not result in a pay raise, the employee’s current salary may be adjusted by a percentage increase and placed on the nearest step in the new assigned grade, not to exceed the maximum step. Please note that promoted employees must meet minimal qualifications for the position. Internal equity will always be a consideration when deriving a promotion salary.

Demotion - A demotion is the reassignment of an employee to a position on a lower pay grade in the organizations job worth hierarchy

The compensation department utilizes a sliding scale formula to administer demotions. The sliding scale formula allows downward movement between pay grades while maintaining current step. Voluntary and involuntary demotions will be treated the same. Employees demoted within the organization will be placed on the appropriate lower pay grade while maintaining the current step. Employees demoted to the Teacher Salary Scale from the Grade Salary Scale will be evaluated for teaching experience and degree level in accordance with State Board of Education State Rule 160-5-2-.05.

Lateral Movement

If an employee moves to a new position within the same salary scale or grade, the pay will remain the same.

Rehire

Teacher and teacher-like employees compensated on the CCPS Teacher Salary Scale receives year-for-year experience according to certification level and years of certified teaching experience in accordance with State Board of Education State Rule 160-5-2-.05. Non-teaching professional/support and Administrative positions rehired within one (1) calendar year of separation will receive salary credit for the last step earned at the time of separation.

Reassignment

Step placement for an employee reassigned to a different school, location or department and the position is compensated on a lower pay grade shall be deemed a demotion. All exceptions must go through an authorization process and an exception form completed and signed by the Superintendent. The Superintendent will complete a Reassignment Compensation form. The Superintendent and the Coordinator of Compensation must sign the form.

Note: This document provides general guidance on the requirements of the *Fair Labor Standards Act*.

The Fair Labor Standards Act, which established a minimum wage and overtime pay requirement for **non-exempt** employees, was revised on July 24, 2009. This law requires the District to pay a minimum wage of \$7.25 per hour and to compensate for overtime exceeding 40 hours worked in a week, with the option to grant **non-exempt** employees compensatory time off instead of paying overtime. The Clayton County School District does not provide the compensatory option for non-exempt employees.

Definitions

Non-exempt employees typically fill non-salaried positions, such as clerical, hourly and paraprofessional. They must receive at least the minimum wage and are eligible to receive overtime pay .

Exempt employees include Executives, Administrators, Coordinators, Principals, Managers, Supervisors, Teachers, and Professional Employees. They are required to receive the minimum salary needed to meet the salary test for exemption status.

Guidance

A non-exempt employee must receive his/her overtime rate of pay for “all hours worked” over 40 hours in the workweek. “All hours worked” means all hours worked for CCPS in any capacity, including all supplemental work, such as the after school program, facility use program, extracurricular events, etc.

When considering overtime pay for non-exempt employees:

1. Non-exempt employees who work more than 40 hours in a workweek will receive overtime pay equal to 1 and ½ times their regular pay rate.
2. Non-exempt employees must request and receive **prior approval** to work overtime. Unauthorized (unapproved) work in excess of 40 hours in the work week will be compensated but may also subject the employee to disciplinary action.
3. Daily time records will be maintained by the Supervisor on each non-exempt employee’s overtime hours worked for two years. Employees who are not required to use time devices will use approved CCPS time and attendance forms.
4. Georgia law O.C.G.A. 20-2-218 (a) states: Every teacher who is employed in grades kindergarten through five for a period of more than one-half of the class periods of the regular school day shall be provided a daily lunch period of not less than 30 consecutive minutes, and such employee shall not be assigned any responsibilities during this lunch period.

All non-exempt employees’ time spent doing work for the employer is counted as work time, to include the time an employee spends performing work away from the employer’s worksite or work the employee performs during lunch or an authorized break. Approved vacations for all non-exempt employees and holidays for twelve month employees are not considered “work time” and will not be counted as work time when calculating overtime.
5. At CCPS, it is the employee’s second or supplemental job, organization, or department that is responsible for and required to pay the overtime. Overtime will be calculated using the employee’s hourly rate of pay.

Bona Fide Meal Periods

Meal periods must be counted as hours worked unless all three of the following conditions are met:

1. The meal period generally is at least 30 minutes (although a shorter period may qualify under special conditions.)

2. The employee is completely relieved from all duties during the period. (If, for example, the employee must sit at a desk and incidentally answer the telephone during the break, the time would be compensable.)

3. The employee is free to leave the duty post. (There is no requirement, however, that the employee be allowed to leave the premises or work site.)
