Athletic Season for CCPS Scholar-Athletes Rolls to a Close

JONESBORO- As the athletic season for Clayton County Public Schools (CCPS) comes to a close, there is still a lot of action happening at both the middle school and high school levels. Our high schools are competing in the annual Georgia State Track Championships at various locations depending on classification. The competition will take place May 11-13, 2023.

Our middle school Soccer programs will complete their regular season and playoffs this week. The championship games will be held Tuesday, May 16, at Steele Road Stadium in Ellenwood, at 6:00 p.m.

The CCPS Athletic Department joins with the leadership of the school district in expressing its appreciation to all the players and their families, our coaches, our school-based administrators, and our community partners for their tremendous support during the 2022-2023 school year. We have plenty to be proud of and should reward our student-athletes for their time, dedication, and commitment to their craft.
