

“100 Wonderful Words That Work” Interactive Workbook Log
“Committed to High Performance”

Student Name: _____

School: _____

Grade: _____ **Teacher:** _____

Welcome to the *“100 Wonderful Words That Work”* Initiative Club!

This interactive workbook is designed to target children ages 0-7 and serves as a resource for families to ensure children become college and career ready. In addition, this interactive workbook will help promote early learning achievement while exposing students at a young age to the 17 Career, Technical and Agricultural Education (CTAE) Career Clusters.

To participate, each student must complete 10 out of the 17 career activities in the *“100 Wonderful Words That Work”* interactive workbook.

This log will help students keep track of all completed activities. Students should list activities that are completed and the amount of time spent doing each activity. A parent or teacher should initial this log each time an activity is completed. **A prize will be given to each student who completes and return his/her log to their teacher by Friday, March 30, 2018.**

Date	Career Cluster	Activity Completed Page # of Activity	Parent/Teacher Initials
Total Number of Activities (<i>Minimum of 10</i>)			

I certify that the student named above has completed 10 or more career activities.
