

SUPERINTENDENT ADVISORY COUNCIL

UPDATES

Superintendent's Governmental Relations Advisory Meeting Updates

10-26-17

- CTAE Updates – How are career pathways selected
- Technology Updates – Will laptops be issued to all students
- What are the plans with M.D. Roberts Magnet Building
- Are there any plans to push drug initiative programs in the school district
- Is the school district determining how to address issues within the school system:
Are we education the whole child
- What steps are being taken to deal with students with severe behavioral issues
- What are the updates on SPLOSTS projects
- Are there any plans to focus on middle school programs (Ex: after school programs)
- Have we considered partnerships with community recreational systems
