FEBRUARY 2020

An aerial photograph of a suburban landscape. In the foreground, there are several houses with light-colored roofs and walls, some with red brick accents. A paved road runs through the middle of the scene. To the left, there is a large, empty parking lot with several parking spaces. The background is filled with a dense forest of trees, mostly without leaves, suggesting a winter or early spring setting. The sky is clear and blue.

FEBRUARY 2020

An aerial photograph of a suburban landscape. In the foreground, there are several houses with varying roof colors (grey, brown, white) and green lawns. A paved road curves through the bottom left. To the left of the center, there is a baseball field with a blue infield and a green outfield. The middle ground is dominated by a large area of trees with brown, dormant foliage, interspersed with patches of green grass. A dirt path or driveway winds through this wooded area. In the background, a dense residential area with more houses is visible, followed by a line of trees. On the far left, a white water tower stands out. In the far distance, a city skyline with several tall buildings is visible against a hazy sky. The overall scene is captured from a high angle, providing a wide view of the area.

SOUTHEAST

An aerial photograph showing a suburban landscape. The foreground features several houses with dark roofs and light-colored siding, surrounded by trees and lawns. A road runs horizontally across the middle of the image. Beyond the road, there is a large area of land with many bare trees, suggesting a wooded or undeveloped area. In the background, more houses and trees are visible, extending to the horizon under a clear sky.
