## **CCPS Issues an Alert for Inclement Weather Conditions**

**JONESBORO** – Clayton County Public Schools’ (CCPS) leadership is sharing a report from the National Weather Service indicating that possible serious weather may affect our area tonight and into Friday morning. The system is expected to produce thunderstorms, higher than normal winds, and substantial rainfall. There is the potential of some flooding in low-lying areas.

Students and families are advised that meal delivery and curbside grab-and-go service will be available as usual on Friday, March 26. District officials remind students and families of possible interruptions or delays caused by weather conditions that could cause a loss of power at school sites or road conditions that could prevent buses from traveling to their usual stops.

While the school district will continue to monitor conditions throughout the day and into the evening, we encourage everyone to be safe and stay connected for updated information regarding any potential weather issues through the following methods:

- All television and radio stations in the Metro Area
- CCPS SchoolMessenger phone and email
- CCPS Infinite Campus portal
- CCPS Information – e-blast to employees and stakeholders
- CCPS Channel 24
- CCPS Website: [www.clayton.k12.ga.us](http://www.clayton.k12.ga.us)
- CCPS Social Media platforms and CCPS Mobile APP

### **About Clayton County Public Schools**

Clayton County Public Schools (CCPS) is fully accredited by AdvancED – Southern Association of Colleges and Schools Council on Accreditation and School Improvement. The district offers a focused world-class program based on a challenging curriculum which is taught from pre-kindergarten through 12th grade. Serving over 55,000 students, Clayton County Public Schools is ranked among the 100 largest school districts in the U.S. and is the fifth-largest school system in Georgia.
