

FAMILY ENGAGEMENT

Celebrate Family Engagement Month with us this November and take the PLEDGE

Clayton County Public School District celebrates and thanks our families for their continuous efforts and collaborative voices in enriching the lives of our students. We invite our families to take the pledge and commit to learning new strategies, sharing resources and talents of their families and community members, and getting connected with Infinite Campus and other district instructional programs to support their child's academic achievement.

About the Family Engagement Month

The month of November is celebrated as Family Engagement Month in Georgia to recognize the contributions of families and to encourage schools to raise awareness of the important roles families play in their child's education. Family Engagement Month highlights the many opportunities available for families, students, educators, and community members to engage in partnerships to improve student academic

Take the Family Engagement Pledge

As a parent, guardian or caring adult, I pledge to support my child's education and healthy development to the best of my ability because **I am my child's first teacher**. I have high expectations for my child and want him/her to succeed in school and in life. I pledge to stay involved, serve as a positive role model and maintain open communication with my child's teachers to ensure education remains a top priority in my household. I understand that it is my responsibility to stay informed and involved in all parts of my child's education and well-being. Education is the key to success and I will do everything I can to promote my child's ability to learn.

Stay Engaged in Our Schools and the District

- Take the **Family Engagement Pledge**.
- Check your child's school website for activities and resources.
- Ensure your Infinite Campus Parent Portal access is active.
- Visit the Georgia Family Engagement Month [website](#) for more games and activities.
- Visit the National Parent Involvement [website](#) for activities and more information.
- Participate in the Georgia Department of Education project activities.
