### The Title I Parent Academy Series:

- Offers parents and guardians of children attending schools in Clayton County opportunities to obtain information on a wide variety of subjects.
- Provides an interactive atmosphere when you can meet other parents, share your experiences, explore the wonders of technology, and answer questions that are critical for your child's development and your role as a parent.

If you have any questions or concerns please contact the Office of Federal Programs 770-473-2700, ext. 700292
