

Marco Mondays

FAQS

WHO should attend the sessions?

All AP students in Clayton County Public Schools can attend including first-semester and second-semester students. Teachers and administrators are also welcome!

WHAT will be covered in the sessions?

Students will learn essential study skills for improving on AP exams, including both content and test prep skills.

WHEN are the sessions?

You can view schedules and register at this webpage: marcolearning.com/clayton

What if I can't attend live?

No worries!
All the sessions will be recorded and emailed to registered attendees the day after the event. You will be able to freely access all the recordings during the spring semester.

WHERE are the sessions hosted?

Each session will be virtual and will last about one hour. For security and privacy purposes, attendees will not have the option to turn on their own cameras or microphones during the sessions, but everyone will be able to participate in chat, Q&A, polls, and other interactive tools.

WHY should students attend?

In addition to learning how to improve on their AP Exams, students will receive prizes and incentives throughout the sessions.

HOW can students register for sessions?

Sign up here: marcolearning.com/clayton
