All proceeds from the tournament will go to the Clayton County Public Schools Foundation, Inc., a 501(c)(3) charitable organization, to support the CCPS Student Scholarship Fund which sustains CCPS Superintendent/CEO of Schools Dr. Morcease J. Beasley's work to promote post-secondary success for CCPS students by generating scholarships. Last year's tournament raised an estimated \$200,000 in cash and prizes to support this endeavor and more than 200 scholarships and awards were distributed to CCPS 2021 graduating seniors and outstanding staff. The fundraising goal for 2022 is to double or triple the amount raised in previous years.
