SUPERINTENDENT'S ADVISORY MEETING SCHEDULE 2017- 2018 SCHOOL YEAR

In an effort to engage all stakeholders, Clayton County Public Schools (CCPS) Superintendent of Schools, Dr. Morcease J. Beasley, is excited to offer an opportunity for various groups to connect with the school district as we work to expand the circle of influence, generate innovative ideas and build partnerships that will have long-lasting impacts on the growth of our schools and communities. Through the creation of the Superintendent's Advisories, we are moving forward in our "Commitment to High Performance," while working in collaboration with school personnel and community stakeholders to transform into one of the highest performing school systems in the state of Georgia.

We know that creating a culture of high performance is a community-wide effort and the Superintendent looks forward to working with all stakeholders to better educate our students as well as support our teachers, parents, and community.
